

Bob and Janie Mericsko

HISTORIAN COUPLE

BASE TEAM: CLINTON MD 01

WEDDING DATE: AUGUST 22, 1970

YEAR JOINED TEAMS: 1977

Bob and Janie met in college while both attending Rochester Institute of Technology (RIT) in New York. After college, they began their married life in Washington DC. They began searching for a ministry they could do together as a couple in their local parish and were eventually introduced to Teams. Over the years, they have served as Information Couple, Pilot Couple, Liaison Couple, Sector Responsible Couple, Region Responsible Couple, and Province Responsible Couple.

For them, piloting a new team is the most spiritually enriching job in the Movement. After retirement, they relocated to the Delaware beach area but remain on their original team. Their team members live in Delaware, Maryland, Virginia, Pennsylvania, and Washington DC but are still committed to meeting and staying together. The Mericsko's have two daughters, two grandsons, and one granddaughter.
